

# 14th Annual Golf Tournament Overview

Green grass and bright blue skies greeted 98 golfers at the Springhaven Club on Monday, September 15, 2008, the day of the **14th Annual Golf Tournament of the Sisters of St. Francis**. The closest to the pin contest was won by Paul McGarry who walked away with a 40" plasma television donated by Carole and Tony Capaldi. The event netted record proceeds of \$95,819. The live and silent auctions, thanks to the creativity and hard work of the auction committee, bested previous years by more than \$4,000. But the real congratulations for the event's great success goes to our generous sponsors.
